

### 3MP 4G Indoor Dome Camera

- 3MP (2304 x 1296) Resolution
- All Time Color Vision
- Full Duplex Audio Intercom (Built-in High Sensitivity Mic & Speaker)
- Support 10x Digital Zoom
- Area Motion Detection, Humanoid Detection, Push Real time Notification on the Application
- Mobile Notification on Human & Motion Detection
- Customized Pre-recorded Voice Alarm
- Support Micro SD Card up to 256GB & Cloud Storage(Optional)
- Compression : H.264 / H.265 / H.265+
- 4G connection. QR Code For EseeCloud to Add Camera in the App
- Monitoring : Mobile/PC Software
- Alexa Support

## Specification

| MODEL                      | PIX-IP-3IDP-256-I4G                                                 |
|----------------------------|---------------------------------------------------------------------|
| Image Sensor               | 1/2.8" CMOS Sensor                                                  |
| Resolutions                | 3MP (2304 x 1296)                                                   |
| Lens                       | 4mm                                                                 |
| IR LED                     | 2 IR Array                                                          |
| IR Distance                | 30 Meters                                                           |
| White LED                  | 2 White Array                                                       |
| White LED Distance         | 15 Meters                                                           |
| Min Illumination           | Color: 0.01 Lux, Black & White: 0.001 Lux                           |
| Day & Night                | IR-cut Auto ICR                                                     |
| Light Mode                 | Full Color / Infrared / Intelligent                                 |
| Viewing Angle              | Horizontal: 75°, Vertical: 59°, Diagonal: 88°                       |
| Video Streaming            | Main Stream: 2304 x 1296 / 15 fps    Sub Stream: 800 x 448 / 15 fps |
| Audio Input/Output         | Two way audio, Built in microphone and speakers                     |
| Audio Compression Standard | AAC/G711A                                                           |
| Zoom                       | 10x Digital                                                         |
| DNR                        | 3D Digital Noise Reduction                                          |
| White Balance              | Auto                                                                |
| WDR                        | D-WDR                                                               |
| Mirror/Flip                | On / Off                                                            |
| Electronic Shutter         | Auto                                                                |
| On Screen Display (OSD)    | Date, Time, & Title                                                 |
| AI Features                | Motion Detection, Human Detection.                                  |
| Privacy Zone               | Support 4 Zone                                                      |
